

Wild Horse Catering Company offers Three Levels of service with gourmet food and professional staff. You've chosen a destination event in the majestic Rocky Mountains. Our **Double Black Diamond** menu provides your guests with the memorable experience you've planned. Our Event Coordinator will accompany you on this unique journey. Their attention to detail helps you create a fine dining atmosphere for your guests.
Your dream wedding will be an event of a lifetime.

The **Byers Peak** tier includes working with our dedicated Sales Director to ensure that your vision is our priority. Chef-inspired creations are served plated or buffet style. We will help design a menu suitable for any gathering to make your event special.

Our **River Run** tier can accommodate groups large and small. You make your selections designed to be delivered or picked up at our restaurant. Great for reunions, retreats, and casual get-togethers. It's a choice that allows you to enjoy your guests, and not spend your precious time cooking and cleaning up after everyone gathers for fun. Meals can be delivered to your location and service available for additional charge.

The Wild Horse Catering **Double Black Diamond** tier offers a beautifully designed menu expressive of the colorful Rocky Mountains. Start your cocktail hour with our distinctive Grazing Table & 2 server passed appetizers, be seated to a plated salad accompanied by warm bread, then indulge in your gourmet chef-plated entrées with inspired garnishes.

Professional, attentive staff arrive onsite early to arrange the catered affair.
